# Liverpool Girls High School

In HSIE for Stage 5, the following subjects are on offer:

**Commerce**

**Geography  
Elective**

**History  
Elective**

**VET Package  
Retail and  
Business Services**

# Commerce

Commerce enables young people to develop the knowledge, understanding, skills and values that form the foundation on which they can make sound decisions about consumer, financial, legal, business and employment issues.

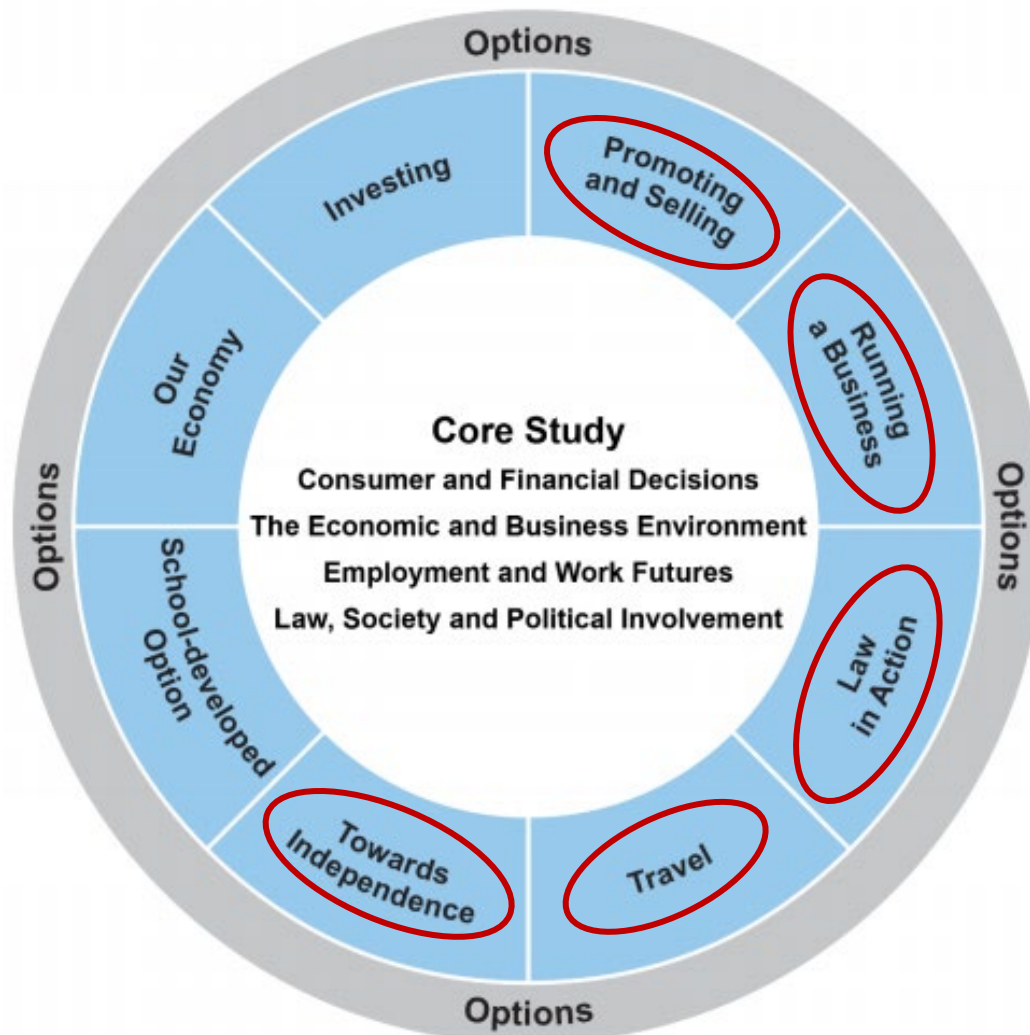

It develops in students the ability to research information, apply problem-solving strategies and evaluate options in order to make informed and responsible decisions as individuals and as part of the community.

# Commerce

## MARKET DAY

Year 9 Commerce students run a Market Day event at the end of every year, in which classes are divided up into teams, with each team organising which products to advertise and sell on Market Day.

The aim is to make a profit on their investment which will be donated to Westmead Children's Hospital.

Teams are organised into CEOs, Sales Managers, Advertising Managers, Sales Assistance etc. and all products are sold to the rest of the school.

## YEAR 10 EXCURSIONS

Year 10 Commerce students have attended both NSW Parliament and also a day trip to Canberra to visit Parliament House and Questacon.

HSIE

# Global Connections

The Geography (Elective) course provides students with the opportunity for additional learning through the engagement with additional Geography content.

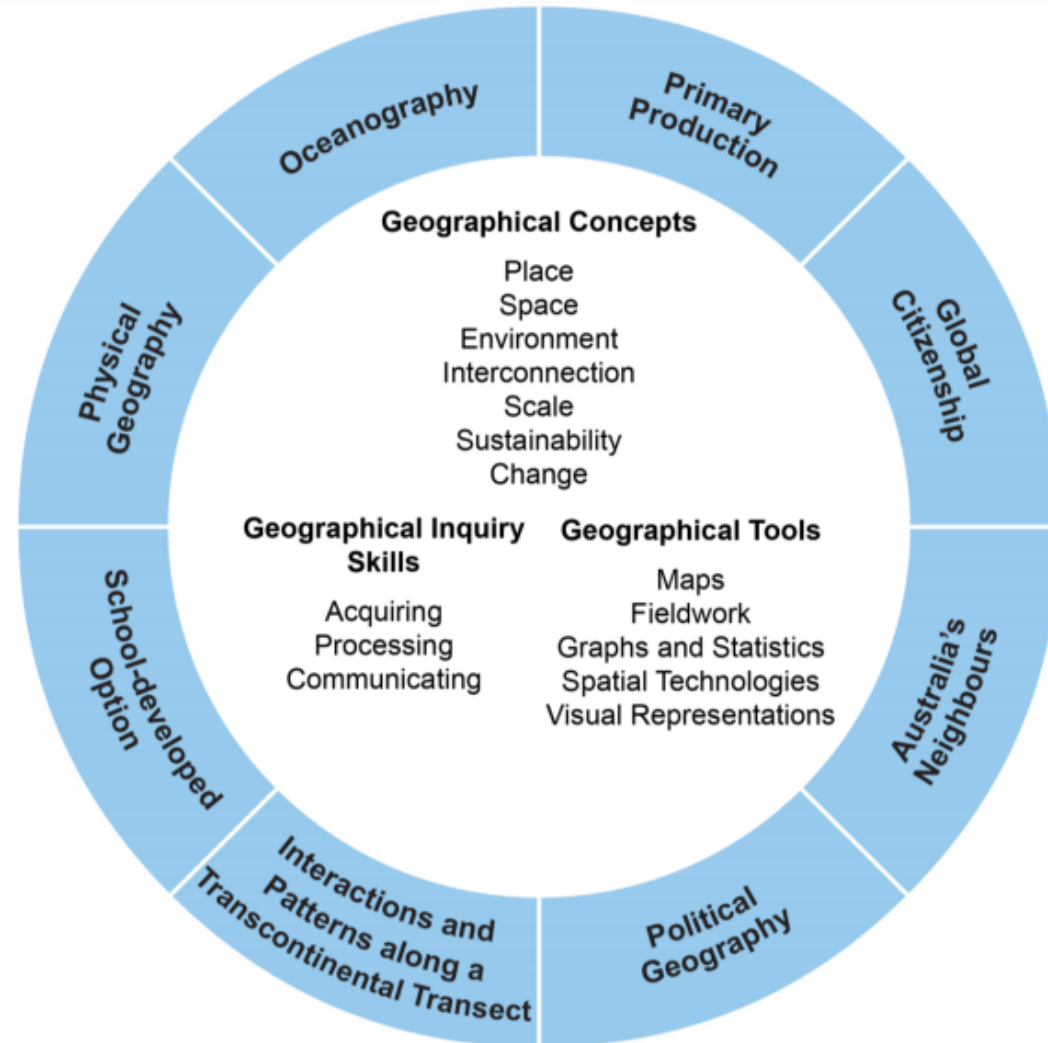

It provides students with a broader understanding of the discipline of Geography and the processes of geographical inquiry, and enables depth studies through flexible programming of focus areas.

HSIE

# Digging History

History develops in young people an interest in and enjoyment of exploring the past. A study of Elective History provides opportunities for developing a knowledge and understanding of past societies and historical periods.

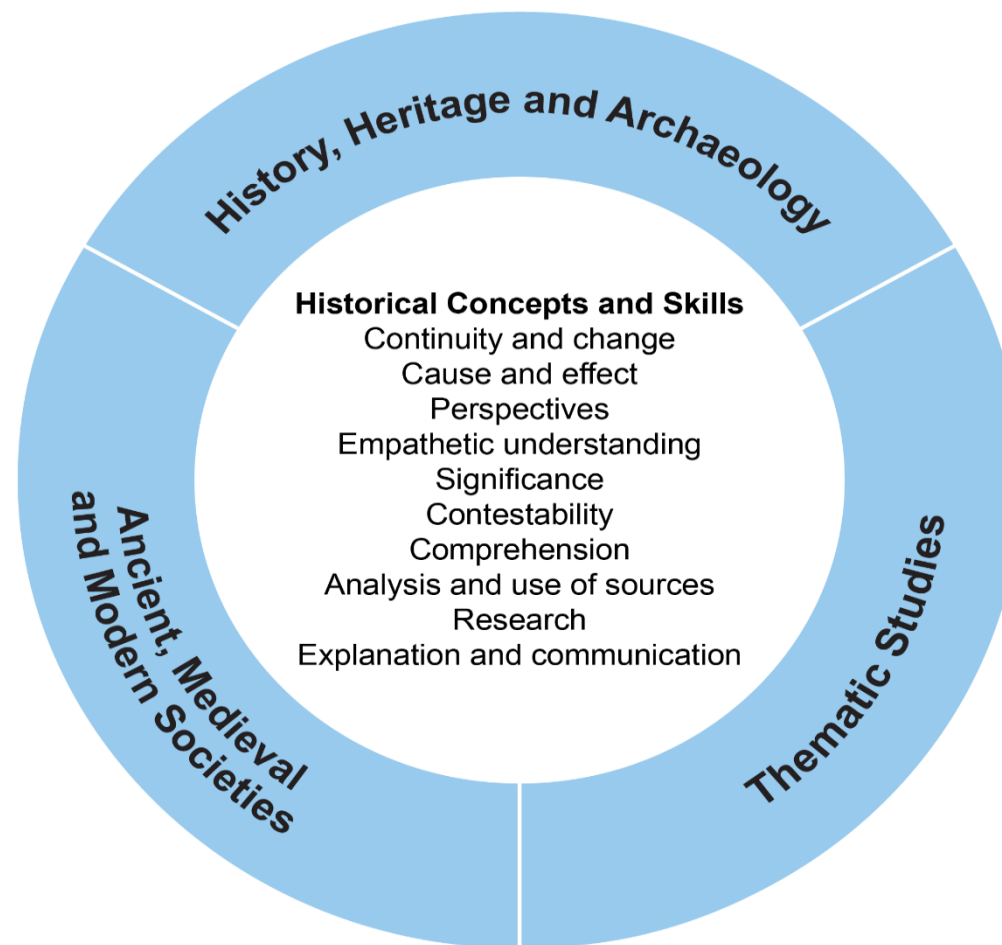

The chosen topics will be studied using written and archaeological sources, film studies and practical activities. Assessment tasks will include drama performances, writing a children's book, individual historical investigations, creating an American quilt and research assignments.

# VET Package

## Retail and Business Services

Vocational Education and Training (VET) courses contribute to the broad education of students.

They have the capacity to engage and challenge students to maximise their individual talents and capabilities for further education and training and lifelong learning.

# VET Package

## Retail and Business Services

Students complete Cluster Tasks which holistically assess their competency across units and upon completing and being deemed competent in all clusters across the two subject areas, students will receive their Certificate I in Retail and Business Services.

Work placement does NOT occur in Stage 5 VET.

Students are required to obtain a Unique Student Identifier (USI) in order to receive their certificates.

More information can be found at:

<https://www.usi.gov.au/>
